NIAMEY, NIGER 2019

Building a Peaceful and Prosperous Africa
Centered on Universal Values

CONTINENTAL SUMMIT OF AFRICA - NIGER 2019

CO-ORGANIZED BY THE FEDERATION FOR UNIVERSAL PEACE, THE STATE AND THE GOVERNMENT OF NIGER

WORKING WITH 5 MINISTER’S HEALTH AND DOCTORS

THEMES:

- Education Program and Prospects for Global Health
- Promote the health welfare in adequacy with the natural environment (clean air, pure water, healthy and nutritious food) and the spiritual environment (respect, tolerance, justice, love, truth)
- Promote the link between Eastern, African and Western medicine

Moderator: Prof. Abarchi HABIBOU
Professor in pediatric surgery, former adviser to the Minister of higher education and research, former Dean of the Faculty of Health Sciences, former Rector of the University Abdou Moumouni, former President of the CAMES General Advisory Council (African and Malagasy Council for the Higher Education).

Rapporteur: Pr SANOUSSI SAMUILA: Full Professor of Neurosurgery, Head of Department of Neurosurgery at the National Hospital of Niamey, Former Advisor to the President of the National Assembly of Niger

SYNTHESIS OF THE INTERVENTIONS

Introduction and Acknowledgments of the Minister Spokesman of the Government of Niger, His Excellency Mr ABDOURAHAMANE ZAKARIA

Introduction of the Moderator:

- Acknowledgments to the Universal Peace Federation for the organization of this forum
- Focus on health relationships – environment – development
- Focus on prevention: education, hygiene...

- Minister of Health of Niger, His Excellency Dr ILLIASSOU MAINASSARA
  - Explanations about the concept "One Health" adopted as a strategy by the States for improving the health of populations
  - Other interventions
    - Insufficient investment in scientific research at the service of health
    - Difficult accessibility to health services
    - Preponderance of the curative on the preventive: disease approach rather than health approach
    - Lack and poor allocation of resources
    - Lack of information on the strategies of Universal Peace Federation in terms of health in Africa
    - Permissiveness in terms of controlling the import of food, chemicals and other phytosanitary products
    - Poor popularization of the "One Health" concept: humans, animals and plants

RECOMMENDATIONS

- Promote a holistic approach to health: health must be redefined in a physical, social, behavioral and ecological context. There is a need for collaboration with the education, food, nutrition and the environment sector.
- Develop a Global Health and Environment Strategy adapted to Africa
- Develop a health-environment teaching program for global health
- Develop a strategy for building a spiritual environment (respect, tolerance, justice, love, truth) for the sake of well-being
- Organize the harmonization of health promotion programs between Oriental, African and Western medicine.

DECLARATION OF SUPPORT AND IMPLEMENTATION OF THE PROJECT FOR A CELESTIAL AFRICA

We, Ministers of Health, doctors and health professionals, participants in the Continental Summit of the Universal Federation for Peace, Niger 2019, Jointly organized by the Universal Peace Federation, the State and the Government of Niger
